THE COMPLETE ACCESS SERVICE

SUPPLY, ERECT & HIRE

Professional scaffolding contractors, NAS Scaffolding offer supply, erect and hire services. Whether it is a private house, a bridge, an historic building, a large housing development or an industrial, commercial or public project, NAS Scaffolding offer a wide range of scaffolding to meet the needs of your project:

- **KwikStage Scaffolding**
- **Gantry's loading towers and platforms**
- **Crash decks**
- **Bridge scaffolds**
- **Mobile Aluminium Towers**
- **Internal birdcages and cantilever scaffolds**
- **Debris netting**
- **Safety netting**
- **Tube & Fittings**
- **Boards/Trestles**
- **Beams**
- **Props**

NAS Scaffolding also provide scaffolding for sale. Please contact us for further information on this.

Northface Access Services (NAS) Scaffolding began the supply and erection of scaffolding in Northern Ireland in 1994 and since then has expanded its operations, as professional scaffolding contractors, into the Republic of Ireland and Scotland, building a reputation for scaffolding quality and safety along the way. NAS Scaffolding now offers a complete suite of services to meet all scaffolding needs. We cover sales and hire, supply and erect inspections, event systems and rope access services. NAS Scaffolding work on projects with the Industrial, Commercial, Civil Engineering, Private and Public sectors.

It doesn't matter how big or small your building project is or where in Ireland or the UK you are located, because we carry out projects of all sizes within the British Isles. Examples of our work can be seen in the Gallery section of our Website. NAS Scaffolding is owned by Edward Gallen and Martin Gallen.

EVENT SYSTEMS

We hire and erect high quality stages, podiums and grandstands for indoor and outdoor events, guaranteeing safety, reliability and adaptability. Our event systems:-

- Can be extended as required with a choice of layouts and levels
- Are suitable for indoor/outdoor use for concerts, sporting events, theatre performances etc.
- Can be assembled and dismantled rapidly
- Can be made rain proof

Please contact us for further information on our event systems.

ROPE ACCESS SERVICES

Industrial Rope Access is a proven method of achieving a safe work position at height or in areas of difficult access. NAS Scaffolding are Industrial Rope Access Trade Association (IRATA) approved and provide rope access services for the following:

- **Various Maintenance and Repair, including**
- **Localised Concrete Repair**
- **Sealant Installation and Re-instatement**
- **Secondary Fixings**
- **Replacement Cladding and Glazing**
- **Geotechnical/Civil Engineering**
- **Permanent Rock Anchorage**
- **Soil Nailing**
- **Sprayed Concrete**
- **Rockfall Prevention Meshing**
- **Pressure Pointing**

SAFETY & QUALITY

NAS Scaffolding operate a safety first policy. Our company has its own in house Neboosh qualified Safety Officer and Health & Safety advisor. We carry out regular site safety audits and scaffold safety inspections to ensure we maintain our high safety and quality standards.

All of our scaffolders are CITB, FAS Safepass and CSR certified, which means that each of our employees are trained to the highest standard possible before beginning work on a project. Our rope access services are IRATA approved.

NAS Scaffolding is a member of the following professional bodies:

- Construction Employees Federation (CEF)
- Construction Industry Training Board (CITB)
- Equality Commission

NAS Scaffolding is C2 registered

NAS Scaffolding operates all over the British Isles. Our headquarters is in County Donegal, Ireland and we have a second office in County Tyrone, Northern Ireland.
